Monthly Newsletter

Past client is now a volunteer

Meet Precious and her 2 children (above). Precious, a previous client of Birthright, now joyfully volunteers at the office twice a week (right). In a powerful testimony to her experience with Birthright, Precious shares,

"I came to Charlotte suddenly and without any options. Birthright was the only place that gave me, my child, and my unborn child a chance. They had a plethora of resources for every obstacle I had. I stand today as a testament of their ability to help mothers in their time of need! Not only am I now in a position to provide for my children (in great part due to the guidance given to me by Birthright), but I am now happy to be able to volunteer with Birthright in hopes that I can help as many mothers as possible in the same way that Birthright graciously helped me!"

Our Latest Mission

2025 BABY BOTTLE CAMPAIGN

Birthright of Charlotte is deeply grateful for this beautiful fundraiser and awareness campaign.

Our friends at Holy Trinity Middle School assembled more than 600 baby bottles that were then distributed throughout churches in the Charlotte Diocese over Mother's Day Weekend.

This campaign helps to alert individuals of Birthright and to enable those facing an unplanned pregnancy to contact Birthright.

With the collection of bottles over Father's Day Weekend, Birthright raised over \$29,000!

St. John Neumann Youth Group

Birthright of Charlotte recently gave a presentation to the youth at St. John Neumann Catholic Church. The youth wrote cards of caring and hope for Moms and their baby who will visit Birthright.

What a joyful gathering!

Walking with Moms

AT ST. VINCENT DEPAUL

A Birthright client received numerous items from this group at St. Vincent. These items support the evidence in the community to provide hope.

Assurance Methodist Vacation Bible School

Assurance Methodist Church in Huntersville has over 300 children who are collecting items for Birthright.

St. Philip Neri KofC

Sharing Birthright's mission and asking for prayers for a woman who came to Birthright contemplating an abortion with the Knights of Columbus Council of St. Philip Neri.

"Here's a photo of the Boo Boo Bunnies the kids made, and a photo of baby items collected Day 1. I believe we will make and probably exceed our goal of 300 baby care items! The kids were so excited to make them pray over the bunnies and they are sooooo cute! Looking forward to seeing you again and talking about how UNCC nursing students can get involved with your organization."

-Melinda (Assurance Methodist VBS)

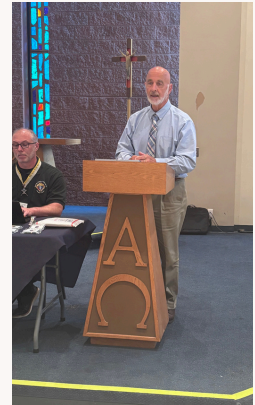

Baby Shower!

St. Phillip Neri Catholic Church sponsored a Baby Shower for Birthright of Charlotte, receiving many donations for Mom and baby. What a blessing!

Upcoming Events

COMMUNITY BABY SHOWER IN AUGUST

Birthright is excited to host our 2nd Annual Community Baby Shower. Last year was a huge success, with many expecting moms coming to our office and receiving gifts and support. If you would like to donate to this year's shower, we ask for donations no later than August 7th.

Mom & Baby Starter Kit

Birthright of Charlotte is working on submitting funding applications for a "Mom and Baby Starter Kit" for all of our new Birthright moms! This will include baby essentials and basic items like breast pumps and thermometers. Please send prayers for this great opportunity to support our moms!
