2nd Annual Community Baby Shower Huge Success

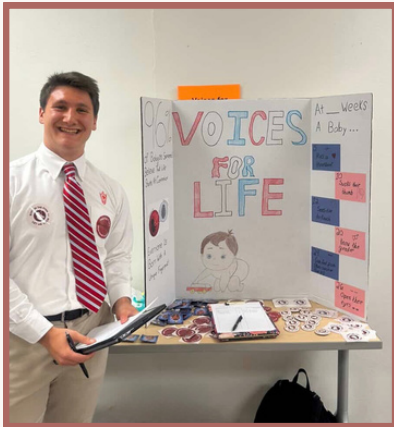

The Birthright Office was packed on the warm August afternoon of the Community Baby Shower! Almost 100 moms, children, and families waited outside and inside as each one was greeted with an office volunteer who walked them through the office. Moms took home large goodie bags stuffed with baby items and clothes. Each mom also set up an appointment to return to Birthright and receive the personalized experience of learning about local resources and getting their specific needs or questions answered. What a joyful gathering!

Birthright in the Community

Voices for Life

AT CHARLOTTE CATHOLIC

Charlotte Catholic students do so much to help with Birthright, and this individual promoted Birthright's mission with his "Voices for Life" presentation.

Birthright at the Eucharistic Congress

Birthright of Charlotte set up a table at the Eucharistic Congress in Charlotte, gaining a lot of attention and positive promotion to our values. Everyone who left our table walked away with a small baby figurine to keep with them in their pocket as the best pro-life reminder!

Youth Group

AT ST. VINCENT DEPAUL

Hank frequently gives presentations to Knights of Columbus charters or church groups at churches in the Charlotte area. What a blessing he is able to talk to receptive youth who share Birthright's passion and enthusiasm for life.

Donation Spotlight

Baby Booties

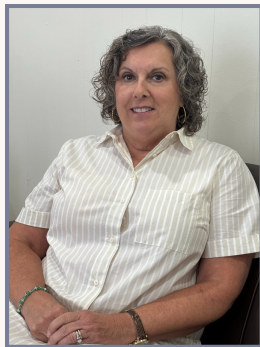

SENT FROM ST. ALOYSIUS CHURCH, HICKORY, NC

Birthright receives many generous donations each week of all variations of baby items. Seven pairs of handmade baby booties arrived in a package all the way from Hickory, NC, which are given to the mom as the first gift for her and her baby.

Office Volunteers Spotlight

Who are the Office Volunteers?

Office Volunteers are truly the “lifeline of Birthright”. They are the heart and soul behind all that Birthright does. Each individual volunteers once a week for 3 hours at a time: talking with clients, greeting those who come in, and answering the phone with a smile. They give each client a sense of hope and purpose, and follow up with the clients they interview as one extra person in their support system. Each one of these passionate volunteers who advocates for the purpose and sanctity of each human life makes Birthright the joyful, bright office that it embodies.

OUR AMAZON WISHLIST

Thank you so much to our donors for all of the incredible gifts, Amazon packages, drop-offs, and monetary support we have received. Not a single pacifier goes unnoticed. Please include your name if you send a package so Hank can personally thank you.

Prayer Chain

Would you like to join over 200 individuals who receive blind copy emails about Birthright clients or situations that could use immediate prayers? This is the most tangible way to help the mothers and families that need our support, with prayers offered up for them.
